I got my nickname in college many years ago. I was originally called the Friday Night Girl, because I loved to party on Friday night. That stuck but got shortened to Friday. I also began to play off it when I was introduced to people. Like I would say, 'Let's get freaky on Friday or I'm your Friday night fuck.' I began to believe my own hype so I would do things only on Friday. But that got boring, so now I'm good for every day of the week. Call me and I'll tell you a really hot story. Just pick a day. Over 18 only.

Not your typical MILF, Blake is seductive, sexy and serious about her work.
Working for the USA space program, this beauty helped put astronauts in space.
We're pretty sure she can get men spinning into orbit around her bed, too.

The photographer asked her if she wanted to pose with anyone. Blake immediately said her two lab partners. Going over to her briefcase, she pulled out a dildo and vibe and shocked everyone on the set. Needless to say, we're glad she brought them.

She told us that when she went back to work on Monday after the weekend photoshoot, she had a smile on her face all day. It got her co-workers to wondering. Blake's really cool and you can find that out by giving her a call.

Sex is such a wonderful thing!

It seems like I'm always horny. I wake up horny, but try not to go to bed horny.
I'll have a lover almost every day of the week, and if not, then I'll pleasure myself to sleep.
I can only think of a couple days or nights in the last year that I did not have sex.

A woman with long dark hair is sitting in a wooden chair, holding a glass of champagne in her right hand. She is wearing a black top with white polka dots and a wide black belt. She is also wearing sheer tan stockings and black high-heeled sandals. Her legs are spread apart, and she is looking towards the camera with a slight smile. The background shows a wooden dining table and chairs, and a framed picture on the wall.

I'm more sexually active now than I ever have been in my life and I really don't know why. Maybe it's the self-confidence one gets as they grow older. Maybe it's the confidence I now have as a sexual partner. Maybe it's the fact I can no longer get pregnant that makes me more adventurous. Or just maybe it's my new boob job. They look great, don't they?

I was a flower child in the Seventies, but now I want to enjoy the finer things in life. So I surround myself with the men and women that mean something to me. The casual sexual partner has gone by the wayside and the ones that now share my bed are for real.

But there is still room for new lovers. Call me and let's start with some small talk so I can get to know you. Then, I'll encourage you to get more passionate and if we hook up before we hang up, who knows what that could lead to. If you're over eighteen, don't keep me waiting...

We met Rachel at a ski lodge in Colorado and she instantly turned us on with her most lovely

personality, great sense of humor and kick-ass body. She said she would be there for another week, but had done all the ski stuff and was looking for another Rocky Mountain high. We were ready to oblige her.

*So after a long night of talking and drinking brandy by the fireplace, we decided to shoot some pictures the next day. In the morning, we grabbed our camera gear and Rachel grabbed a small tattered bikini skirt and we headed off to a beautiful secluded spot and started shooting. We asked if she had brought a top to go with the bottom and she said "I don't need one, do I?"
No Rachel, you don't.*

Right away we saw she was a free spirit and as the shutter released, so did Rachel. She was a real trooper in the cold and snow, but we think the shots turned out great. The only problem was that we had to cut the shoot short when a nasty looking wolverine came strolling through our camp.

Rachel told us some great stories at the lodge. She's really warm and funny. Call now and you'll have as great a time as we did. Over 18 only.

Letters From Our Readers

When we go into the coffee shop, all we get served is coffee or an occasional espresso. Jason got a bit more...

WHAT'S IN THE COFFEE?

I too am a writer – for a local paper here in Boston and I've read some of your reader's letters. While I found most of them to be highly unlikely, what happened to me last month has changed my mind. I'd like to share that experience.

Janice is the owner of Downtown's Best, my favorite coffee shop. Probably in her mid-thirties, she was about ten years my senior. Someone once told me a tragic story about how she lost her husband and children in a bad car accident during a New England winter a few years back, and how she'd opened the café a year later with the insurance money. I'd been frequenting Downtown's Best for a while now. I liked the quiet, mellow atmosphere, and it was easy for me to write my column for the free weekly there. The words just seemed to flow. I had never really spoken much with Janice – or the other baristas for that matter – other than register banter and the occasional passing smile when per chance our eyes would meet. Little did I know that tonight would change all that.

I was working late in the coffee shop, an early morning deadline looming over my head. Outside, rain was coming down in torrents, and the café had been pretty dead all evening. Beside Janice, the only other people in the café were a couple who seemed to be very much in that stage of a relationship where they couldn't get enough of each other. Giggling, flirty, and affectionate I just knew they couldn't wait to finish their lattes and head home to bed to take their games to the next level. The guy even kept attempting to pull down the girl's top as she playfully blocked his advances.

Soon I noticed the couple putting their cups in the bus tub and heading for the door. Janice came around the counter and began wiping down the tables in preparation for closing. I glanced at my watch – 30 more minutes until close – and kept on writing. All of a sudden I heard Janice exclaim, "Oh shit!" I looked up to see that she had absent-mindedly knocked over the remains of an iced

mesmerized by her swaying tits to care. Totally distracted from my work now and enjoying the show, my cock sprang to attention. Unexpectedly, she looked up at me, totally catching me off guard. It was obvious that her tits had become the focus of my attention.

Now it was my turn to be embarrassed. I expected her to chastise me for star-

*If you didn't pick up the last issue of **MILFs**, you really lost out. Cover girl Ryley is one hot babe with an incredibly sexy body and long legs to wrap around you.*

To the publisher of *MILFs*:

My name is Josh. I am 24 and I'm writing to you because I love older women and very much appreciate your *MILFs* and cougars that you photograph for your magazines. I guess my love for older women started back in high school when I had a huge crush on my social studies teacher, Mrs. Kelley. She was beautiful.

She had sandy hair and big blue eyes. She stood about 5' 6" and had these breasts that were way too big for her size. I'd often stare at her boobs during class wishing I could put my face between them and motor boat them! When she'd turn her back to the class, all the guys would give the thumbs up with a little wink. I have a feeling they all wanted to do it too. The photos of Ryley remind me a lot on my old teacher, will you please hire her again?

drink on the table directly in front of me. As she bent over to wipe up the spilled coffee my eyes drifted to the dip in her tank top that proudly displayed her ample cleavage, her breasts bobbing as her hand circularly caressed the coffee and ice from the table. I could tell she was embarrassed as she muttered apologies to me as she cleaned, but I was too

ing rudely, but her frown quickly turned to a smile and she said, "Enjoying the show?" "I'm sorry for staring but your cleavage is amazing," I replied, still feeling caught in the act and not wanting to lie about it.

"Thanks. It's nice that you find my breasts attractive. It's been a while since I've

...She pulled her chair closer to me, leaned over, and began lustily rubbing my cock through my jeans...

had that kind of attention," said Janice as she put the towel and pulled up a chair at my table.

Not at all the response I was expecting... "Phew," I said, "I'm glad you're not angry."

At this point her Janice's nipples were threatening to rip through the fabric of her tank, making my already hard cock throb with desire. Janice flipped her hair out of her face and glanced down at her tits. "Can you believe that couple that was in here a little while ago? I

the only one who's turned on," I said. Janice's eyes lit up as they dropped to my crotch. Without saying a word she pulled her chair closer to me, leaned over, and began lustily rubbing my cock through my jeans. I responded by reaching a hand into the top of her shirt, underneath her bra, and cupping one of her breasts, feeling the weight of it against my palm as her hard nipple pressed into my flesh. Then Janice unzipped my fly and pulled my cock out into the dim light of the café.

"Nice. Real nice," she said as she be-

to her tits, kneading them passionately. I kissed the back of neck, occasionally running my wet tongue around to ears. Janice cooed. Her hand reached behind, grabbed my cock, and continued jerking me off.

I pulled Janice's shirt up over her head and undid her bra. As the bra fell away Janice turned around to face me. Her tits were a glorious sight to behold, full, round, and firm. As Janice's hand found my cock again, I took one of her pleasure jugs into my mouth. I ran my tongue around and around her nipple, saturating her areola and titty in my saliva. Then I took as much of her tit into my mouth as I could before popping it out and applying the same treatment to the other, all the while Janice's hand moving quickly up and down my shaft. I could hardly contain myself, eagerly anticipating blowing my load all over her.

Janice smiled at me and said, "I'm hungry. Let's see what's on the menu. I bet it's a meat dish." She dropped to her knees and took my cock into her warm, moist mouth. Groaning, I pulled off my shirt. Hot damn, could Janice suck a mean dick! You'd never know it just looking at her. I could barely stand anymore, so I sat down in a chair and moaned some more as Janice's skilled tongue darted around my balls and shaft. Then Janice slurped on my balls, her hand taking over where her mouth left off on my cock.

The urge to cum was building rapidly, and when I told Janice this it clearly excited her. "Not yet," she said and stood up, undid her pants, and shimmied out of her pants and panties together. In anticipation I quickly pulled of my pants down sat back down. Janice straddled me and lowered her pussy onto my waiting cock, moaning as she did. Her pussy must have been super wet because my cock

thought I might have to clean up more than just lattes and crumbs tonight. I bet they're fucking their brains out right now. Watching them got me turned on, and watching you ogle me is adding fuel to the fire."

Feeling emboldened now, I wanted to see where this might lead. Worst case scenario, I might have to find another coffee shop to work at. Best case, well... who knows. Deciding to lay all my cards on the table I slid my chair back, exposing my massive erection. "You're not

gan stroking me in earnest. I switched hands and gave her other titty some deserved attention, encircling her areola and pinching her nipple. Janice leaned over further and brushed her lips against the tip of my cock before giving it a kiss. Then she hopped up and ran over to the door, locking it. "Looks like I'm closing a little early tonight," she said, shutting one of the blinds. I hopped up and helped her with the rest. As Janice flipped the store's "Open" sign to "Closed", I walked up behind her and ran my hands underneath her shirt, up her back, and around

instantly buried itself to the hilt. She began working my cock up and down with her hot twat, and I leaned forward and buried my face in those fat titties of hers. I was in heaven. "I haven't had my pussy stuffed like this in a long time," she said between pants, tossing her head back and gyrating her hips. I grabbed her around the waist and helped pump her up and down, thrusting up to meet her and each time burying my cock as deep inside her as I could. "You gonna cum soon?" Janice asked.

"I think so," I said excitedly.

inside. Man, did she taste great! Eagerly I licked my way around her pussy, paying her clit special attention. I flicked my tongue over it in short, rapid strokes, and then I stuffed a couple fingers in her twat simultaneously. Janice had been moaning before, but now she seemed on the verge of screaming explosively. Her hips bucked and bucked, grinding into my mouth and fingers with wild abandon. "I'm cumming!" she shouted as I felt a rush of her cum overflow my fingers. I pumped her pussy a couple more times and then grinned at her as I licked her cum off my fingers. Janice lay there for

floor until my cock grew hard again and we went for round 2. And round 3. And 4! The next morning I had to ask for an extension from my editor as I was in no shape to finish my column that night. A couple days later I arrived at the coffee shop, hoping to see Janice behind the counter and maybe score a quicky in her office. However, one of the head baristas, Clarissa, was tending shop. Disappointed, I approached the register to order. Clarissa made eye contact, snickered, and started writing on a piece of scrap paper. "Nice performance," she said, cutting me off as I asked for a mocha.

"What?" I stammered, not knowing what she meant but mind flooding with possibilities.

"The next time you fuck the shit out of Janice in the shop here, you might want to turn off the security cameras or at least the DVR," she said, sliding the piece of scrap paper toward me. I looked down at the paper. On it was Clarissa's name (with a skull and bones dotting the eye), a phone number, and the words, "For a good time call... SERIOUSLY." "Don't worry – you can still fuck Janice too. I'm not looking for anything serious," she said.

"Works for me," I said. I sat down at a table to wait for my mocha, my mind drifting off into a tapestry of erotica imagery involving Janice and Clarissa. A shit-eating grin made its way across my face. Clearly this was the BEST coffee shop in the world!

– Jason, Boston

"Not if I can help it," she said, flashing an evil grin as hopped off my cock. I groaned, wanting nothing more than to blow my load up inside her sweet pussy. Janice lay down on the ground, spread her pussy lips with her fingers, and said, "I think there's something on the menu for you too. Hope you're not a vegetarian." Between her directness and watching her spread those luscious lips, I was even more turned on, if that was even possible. I got off my chair and made a nose dive for her wet, waiting twat, immediately plunging my tongue

a just moment, regaining a semblance of "composure". "Now it's your turn," she said, pushing me onto my back and taking my cock back into her mouth.

At this point a bomb could have dropped right outside and I wouldn't have cared. I was having one of the best nights of my life, my MILF fantasy finally coming true. Janice's expert tongue and supple hand had me gushing torrents of jizz in her mouth in a matter of minutes. She swallowed every last, milking me completely dry. Afterward we lay together on the

Three weeks before this photo shoot,
I returned from Europe. I had a great
time there. I was in Amsterdam and one
night I went to the famous red light dis-
trict with my girlfriend who lives there.
We walked around for a while, surviving
whistles and weird looks from guys.

I was born in Holland and moved to the States very young. I've visited family there many times but had never ventured into the red light district, called de Wallen, until last month. What a trip. The buildings were very old and, yes, the lights in the windows were red. I thought most of the girls were kinda pretty but looked well used.

But I have to admit the best part of the trip was when she took me to a live sex show. I had never seen people “do it” live before and it was very erotic. We sat right up next to the stage and surprisingly, I found myself getting turned on. We stayed for a couple hours and I got even hotter. Why don’t you call me and I’ll tell you what I saw that night, and, better yet, what I did that night.

Confessions of a Hot Older Woman

Call Now. 800-735-4058

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!

***Ready
when
you
are!***

Hi guys, I'm Terry and I was born ready. Ready to cook, ready to shop, ready to suck and ready to fuck. Are you ready for me? I have such a high sex drive, sometimes it's all I think about, and when I'm fucking, I like to do it for hours. My longest fuck session was more than nine hours. Yours?

**T

When I was in college, I lived in a co-ed dorm with two guys and one other girl. We had just finished our midterms and were ready to celebrate.

Unfortunately it was 20 degrees below zero outside. My female roommate and I finished our exams first and decided to drink our celebration. Well, we started at noon and decided to cuddle together to warm up. One thing led to another and we started kissing and that led to touching pussies and then licking them. After a couple hours one of the guys came in and found us going at it. We told him we were cold and he said he was too. We told him to strip and get in bed with us. His clothes were off fast and his dick was hard even faster. Before he got into bed we told him we had to suck...

...his cock to warm him up.

Both us girls took turns sucking and giggling. He got into bed with us and started licking both pussies. But before he could fuck anyone, the other roomie came into the room and started to say he aced his tests. Before he finished the sentence, I jumped out of bed and pulled his pants down, his cock out and grabbed his balls to congratulate him. I stripped him naked and pushed him down on the other bed. We fucked and sucked for hours, traded partners and finally came all over the bed covers, but we didn't care at all. Nine great hours of sex!!!

Yes, I was ready then and I'm ready now. Ready for you!

Call me and tell me about your longest fuck. If you can top mine, I just might have to take you on. Over 18 only.

Confessions of a Hot Older Woman

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Call Now. 800-735-4058
